# *Editor's Note*

Hey Key Clubbers!

We are officially in the peak of summer, which means more opportunities to grow and give back to the community! This month's issue is about basking in the present and looking towards the future, whether it's volunteering at a library or enjoying your vacation! Wishing you all a summer full of fun!

-Ariella

Hello Key Clubbers!

With summer break here, it's the perfect time to give back to your community and focus on personal growth. Dive into this issue to discover ways you can serve, lead, and grow throughout the season. Let's make this summer one to remember!

-Rethika

*Yours in friendship and  
service.*

# Governor's Project 2025 - 2026

## ★ Fueling Futures ★

### What?

This year's Governor's Project, Fueling Futures, focuses on food insecurity, nourishment, and the importance of food.

### Why?

Texas and Oklahoma rank top 5 for food insecurity rates in the nation. Through service, donations, and effort, members across the district can help combat this growing dilemma.

### Service?

Service ideas for this project include participating in food banks, hosting food drives, raising awareness about food scarcity, and more.

This project recognizes that nourishment fuels more than the body. It fuels passion, learning, and the ability to serve others.

When people are well-fed, hydrated, and in a clean & safe environment, they are better equipped to succeed in the classroom, lead in their communities, and break cycles of hunger.

# Preferred Charities & Service Partners

Helping people get clean water by building wells has been the Thirst Project's mission since 2008. With just a \$25 donation, you can change a person's life forever.

Erika's Lighthouse raises awareness about teen depression and suicide prevention. It allows students to collaborate, support one another, and create a safe space during difficult times.

Lighthouse®**

UNICEF works to make sure every child has their basic needs met. They provide life-saving essentials like clean water, food, and education. By supporting UNICEF, you help build a stronger, safer future for children around the world.

Schoolhouse is a free online platform where students work together and learn through live study sessions. It's a supportive space where any student can ask questions, get help, and grow.
